Independent Accountant's Report

Robbie Rudolph, Secretary
Finance and Administration Cabinet
The Honorable Barbara Tichenor
Nelson County Property Valuation Administrator
Bardstown, Kentucky 40004

We have performed the procedures enumerated below, which were agreed to by the Nelson County Property Valuation Administrator, (PVA) solely to assist you with the accountability for statutory contribution, receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts for the period July 1, 2004 through June 30, 2005. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Nelson County PVA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipt ledger, a disbursement ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2005), to determine if amounts are accurate.

Finding -

The PVA maintains a receipt and disbursement ledger. Bank records are reconciled to the ledger monthly. The amounts on the year-end bank reconciliation (June 30, 2005) were determined to be accurate.

2. Procedure -

Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also review the list of city receipts for completeness.

Finding -

Recorded city receipts agreed to confirmed amounts from city government officials. The list of city receipts was determined to be complete.

3. Procedure -

Compare the budgeted statutory contribution by fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

The budgeted statutory contribution by fiscal court agreed to the legally required amount calculated by the Department of Revenue. Payments from fiscal court traced to the PVA's bank account.

4. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to cancelled checks, paid invoices or other supporting documentation. Determine if the expenditure is for official business. Review all credit card statements (if any) to determine if expenditures are for official business.

Finding -

Selected disbursements agreed to cancelled checks and invoices. All expenditures were for official business. The PVA office does not have a credit card.

5. Procedure -

Compare capital outlay disbursements with cancelled checks, supporting documentation, and proper purchasing procedures. Verify the location of newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

Capital outlay disbursements agreed with cancelled checks and invoices. Proper purchasing procedures were used for expenditures over \$20,000. All newly acquired assets were located in the PVA office. The assets were not added to the PVA's Capital Asset Inventory List.

6. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

There were no lease agreements or written personal or professional service contracts.

7. Procedure -

Compare PVA's final budget to actual expenditures to determine if PVA overspent in any account series.

Finding -

The final budget compared favorably to actual expenditures. The PVA did not overspend in any account series.

8. Procedure -

Determine whether collateral is necessary for the PVA's funds. If necessary determine if the PVA was sufficiently collateralized for the year and if a collateral agreement exists.

Finding -

The PVA was not sufficiently collateralized for the year. There was no collateral agreement in place with the bank.

PVA's Response -

PVA was not aware of the necessity for the agreement.

9. Procedure -

Determine whether timesheets are completed, maintained, and support hours worked.

Finding -

The employees of the PVA office did not prepare, sign, or submit timesheets.

PVA's Response -

PVA was not aware of the necessity for time cards.

We were not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on the receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
